PROFILE

A Master of Laws Candidate at the University of British Columbia. I am a passionate and hard-working individual with the capacity to make a meaningful contribution in any work environment. I work well under minimal supervision and can be relied on. Further, I had my foreign legal qualifications assessed by the National Committee on Accreditation (NCA) in July 2022 and I am currently working to meet the requirements. In my spare time I enjoy playing chess and meeting new people.
