## ARTICLING CANDIDATE

Internationally trained lawyer with five years of legal experience in litigation, contract drafting, and client representation, I am skilled in legal research, case analysis, and drafting legal documents. Proficient in using legal research tools such as CanLII, LexisNexis, and Westlaw, I am adept at collaborating with clients and attorneys. I possess strong analytical, oral, and written communication skills and am highly proficient in Microsoft Office Suite. Currently seeking an articling position to apply my expertise and grow within the Canadian legal system.
